Our Family

Dear praying family!

Let us fill you in with some of the goodies that have colored our lives with excitement these past few weeks:

Layman's Bible Training. Our church hosted 41 students from 13 different assemblies from the coast, mountains and jungle to teach this leadership program. Two of the students were women whom we had left still in prison nearly 2 years ago. God is good! In February the program was held in the jungle city of Yurimaguas, where we had 14 assemblies represented. We pray that many will reflect on the value of what just took place for the life of the little known churches up/down the Huallaga River. Visiting the jungle is fascinating, relating with the believers, invigorating, but teaching God's Word is surely everlasting in results!

Mi Casa es Su Casa. Currently and for about 3 weeks, we have a young lady with us from Oregon, Ruth Purkey; pray for her as she contemplates the Lord's clear direction in missions while visiting with various missionaries in Peru. And as you pray, would you also remember the team from Palm Beach Atlantic University arriving this weekend? They will be staying in our home and for an entire week will be doing a whole bunch of activities in various sites near to and far from Trujillo.
(More to come next week)

Continue to pray for us and keep in touch with us (pablonsarah@gmail.com)!

Always under His wings,
Pablo and Sarah Cenepo-Torres
